Kenth Charles Repollo

BSIT Student · Aspiring Full-Stack Developer

Davao, Philippines · kenthrepollo@gmail.com
github.com/Kenth08 · LinkedIn · Portfolio

CAREER OBJECTIVE

To secure an internship or junior web developer role where I can apply my skills in React and full-stack development to real projects, learn from experienced engineers, and grow professionally while contributing to products that make a meaningful impact for users and the team.

EDUCATION

Bachelor of Science in Information Technology — 4th Year · Currently Enrolled
Davao del Norte State College

Senior High School — ICT Strand — Graduated
Southern Davao National High School

EXPERIENCE

Freelance React Developer — Self-employed · Remote — 2023 – Present

Design and develop responsive web interfaces for small businesses and student organizations, taking each project from concept to deployment.

Frontend Developer Intern — Student Tech Org — 2023

Built reusable component libraries and improved page performance and accessibility across internal tools.

PROJECTS

E-Procurement Blockchain System (Capstone) Live · GitHub
Blockchain-integrated bidding and procurement platform: procurement requests, supplier registration, budgeting, and public visibility of bidding results. React, Tailwind CSS.

Campus Store POS Kiosk Live · GitHub
Self-service touchscreen kiosk with order review, cash/QR/card payment, and digital receipts. React, Tailwind CSS.

HAVEN Real Estate Live · GitHub
Real estate website for browsing homes, exploring neighborhoods, and contacting an agent. React, Tailwind CSS.

Ascend Live · GitHub
Responsive landing page for a sales and revenue platform. React, Tailwind CSS.

Academic projects: AgriRoute (mobile route planning for farmers) · FKK Enterprise (inventory, POS & sales tracking) · Barber Shop Booking System (Java Swing) · Bakery Management System (Java console)

SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React, Tailwind CSS, Framer Motion
Tools: Git, GitHub, Vercel, VS Code, Figma
Other: Java, Database Management, UI/UX Design
Soft skills: Problem Solving, Communication, Teamwork, Adaptability

INTERESTS

Frontend Development · Full-Stack Web Development · UI/UX Design · Blockchain Applications
